REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The board overturned the 103 rejection in the Final office action of 11-07-2003. Thereafter, on 10-26-2006, the applicant presented an amendment placing claims 39 and 45 into independent form. These claims positively recite a flexible endoscope slidably received within a lumen of the operating capsule or head. These claims were not rejected under 102. Therefore, in view of the Board's decision, these claims are in condition for allowance. The allowed claims are 36-38,40-44 and 46-51.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Glenn K. Dawson whose telephone number is 571-272-4694. The examiner can normally be reached on M-Th 7:30-5:00.
